FPA OF NEBRASKA CFP® SCHOLARSHIP FUND

Each year, members of the Financial Planning Association of Nebraska participate in programs that educate the public on the importance of personal financial planning. As we reflect on the accomplishments of the FPA, we are also creating a vision of the future of the FPA.

In that respect, The Financial Planning Association of Nebraska in 2004 established a scholarship fund designed to assist and recognize students pursuing their CFP® designation. The Fund is administered by The FPA of Nebraska Foundation.

Up to three (3) scholarships will be awarded annually to students who are admitted to a program administered by an accredited college or university registered with the CFP® Board of Standards.

An application outlining the rules of eligibility is available online at www.fpanebraska.com or by contacting the FPA of NE office at (402) 397-0280 or via e-mail at fpa@cam-omaha.com.
