

Waddell & Reed Financial Advisor Internship Program

- The position of Financial Advisor Intern will act as a key support person for the Financial Advisor and their individual Waddell & Reed practice. This allows an intern the unique opportunity to shadow a Financial Advisor on appointments and see firsthand what it is like to run a financial planning practice.
- The Financial Advisor Internship is offered year round through a trimester schedule.
- The intern will support the Financial Advisor in many activities not limited to
 - Financial planning
 - Client Servicing
 - Creating investment illustrations and proposals
 - Client data input and database maintenance
 - Routine administrative support
 - **NO COLD CALLING will be done**
- At Waddell & Reed we understand that completing your college education is priority number one. With that we offer a highly flexible schedule to accommodate classes and studies.
- Often times the internship experience leads to a career opportunity as a Waddell & Reed Financial Advisor. Candidates with this goal in mind are highly desirable.
- **An internship position such as described is highly sought after. Each year we receive hundreds of requests. If we are unable to place you this go around, please don't hesitate to keep in touch for future intern and Financial Advisor opportunities.**
